What does it mean to be
 a Cavalier?
 (The symbol of pride -
 the emblem for spirit)
 Your future depends on
 your choice of career
 But without education you'll
 never get near it.
 A game would be nothing
 with no one to share
 The excitements, the let downs,
 the winnings & losses.
 And no gaps exist among
 Cavalier class mates
 Seniors & Juniors;
 Sophomores & Froshes.
 ASB, Clubs, Assemblies,
 & Pepsters,
 Serve as a few tools
 for learning & lets
 Each student go away with
 memories that surely
 Are ones that a Cavalier
 never forgets.

A Cavalier

Heads of the Senior Class

Senior Officers, LEFT TO RIGHT: Bea Ramirez, Tres., Tina Jorritsma, Sec., Kathy Collings, V.P., Scott Jordan, Pres.

The Class of 76 has been the most spirited class Santiago has seen in a long time. They set a school record of winning five consecutive Pep Assemblies.

In their Junior year, they sponsored the Junior - Senior Prom which was held at the Costa Mesa Country Club. The money for the prom was raised by selling candy and Homecoming Mums.

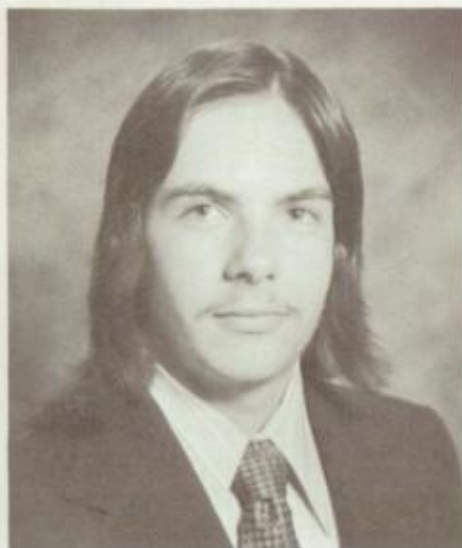

It's traditional for the Seniors to win Homecoming Week and the Class of 76 was no exception. During the week they planned extra activities such as decorating the quad, painting trash cans and having the band play. The Seniors then topped it off by winning the Homecoming Pep Assembly.

All the credit for the four years of success goes to a handful of Seniors and the sponsors of the Senior Class, (PICTURED RIGHT) Mr. Baker, Mr. Zinn, and Mr. Chiotti. Through their help and devotion, the Class of 76 will be remembered for a long time.

Desolation crept up from behind
and smothered every trace of a dream.
Shadows cast themselves upon fantasies
that will never come alive.
Fear burdened itself upon a rejoicing soul
and silenced it.
Bitterness strangled all hope
and discarded a corpse of painful reality.
Death swept life under the ground, covered
it with ashes
and, unwittingly, planted the seeds of a new
life.

"Living through Love"

I sit and think of times that are to come
 Alone no longer will I ever stay
 Though through the hours we may sit deaf and
 dumb
 The sounds of love will never go away.
 The months of strain and sorrow may arrive
 The bills, the kids, the arguments will start
 But through the bitter times we still will
 strive
 To keep that special feeling in our hearts.
 The doubts will come but still our love is
 strong
 We'll frown and cry-then laugh ourselves to
 tears
 Our lives to one another will belong
 For two in one are we throughout the years.
 And when our children leave we will
 behold
 The youngness of our love when we are old.

After the Battle
Night closed around the conqueror's way
And lightening show'd the distant hill.
Where those who lost that dreadful day
Stood few and faint. but fearless still
The soldiers hope, the patriots zeal
Forever dimmed forever crost-
Oh who shall say what heroes feel,
When all but life and honor's lost.

God, why is mommy crying?
 And why is daddy's head so low?
 I can hear them whisper, "He was only two."
 They didn't want me to go.

People say it's all your fault
 But I don't understand what you did wrong.
 They say if You would have answered their prayers
 That now I wouldn't be gone.

I'm not gone, though! What are they saying?
 I'm sitting right here with You
 "Poor baby, Poor baby", they keep repeating,
 "And he was only two."

I wish I could tell them, God
 That they don't have to worry about me anymore,
 I'll never be a "Poor baby" ever again.
 They're so unhappy. but what for?

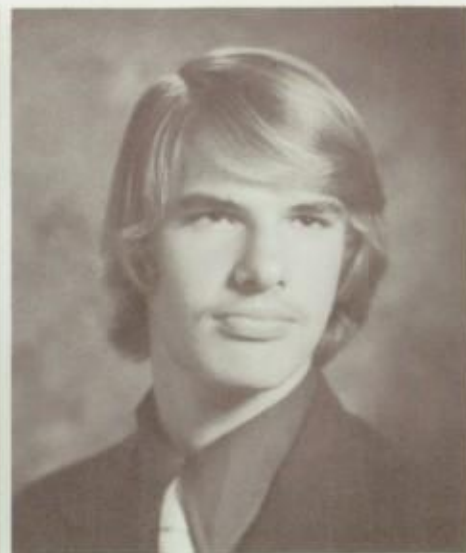

Don't they remember how sick I was?
 It hurt alot, but they couldn't help me.
 I don't hurt anymore, God- thanks to You
 They'd understand if they could see.

I'll never have to cry anymore like they do
 Or feel pain, hunger, or sorrow.
 Please God, comfort my mommy and daddy,
 And maybe I'll see them tomorrow.

A.S.B. President Jordan Spahn

As usual, great planning went into A.S.B.'s money making schemes. These included: An "astounding" night on the basketball courts (see pages 60 and 61 for more details.) Dances, and of course A.S.B. card sales.

During October, A.S.B. was especially busy with Homecoming. A Bicentennial theme was planned for the half time show and noon-time activities. December found them hosting the Christmas Assembly, to promote the traditional toy drive, for the needy.

"The Masanpas," head of the drill team, was a first year cabinet. These parents decided to get a huge fund raising drive started to pay for the uniforms of the members of the drill team. A Carnival is what they produced and it proved to be a great success. Through hard work and dedication, the uniforms were paid for and everyone had a great time.

The dunk tank, jail, ring toss, Hammer Head, the dime toss were just a few of the games and activities enjoyed by all. Game and refreshment booths were sponsored by different clubs along with the Drill Team.

Drill Team

Drill Team is an organization that provides a way for girls to show their school pride and spirit.

Devotion, Willingness, and Initiative are qualities found in Santiago Drill Team members. These essential qualities combined with the efforts of Mr. Boner and Mrs. Pat Boules have made Drill Team a success. Their success is also due to a newly formed group, "The Masanpas". This group is composed of parents who have made it possible for the Drill Team to purchase new parade uniforms.

Drill Team's activities have included sponsoring a carnival and participation in various parades. These are all in addition to their involvement in pep rallies and half-time shows.

BAND 75-76

The members of the Santiago High School Band can be found in almost every activity and organization on campus. But, even with this wide area of interests, the members are able to join together to form an organization noted for its school spirit, pride, and competitiveness. A few of the Band's activities have been numerous parades, special trips to places like Magic Mountain and Disneyland; and, all these in addition to the Band's regular participation pep rallies and games.

FOOD SERVICE IS OFFERED AT SANTIAGO...

Santiago, the only school in the Garden Grove District which offers Food Service to its students, is proud of its program. This class teaches skills in food preparation and serving, and prepares the students to enter the restaurant and food industry. The class prepares the meals for the faculty served in "El Meson", the teachers' cafeteria. Mrs. Miller, the instructor of Food Service, proudly boasted that her class, in nine years of service at Santiago, has never failed to have the faculty's food prepared. On commenting about this year's class, Mrs. Miller says that they are one of her liveliest and most energetic.

Volleyball

This was a season of upsets, but also development for Varsity Volleyball. The team, made up of two freshmen, one sophomore, three juniors, and one senior, was lacking in competitive experience as well as working together as a unit. 1976 holds more promises for this group.

The students kicked up their heels and scored early in the game, but the faculty soon galloped into the lead; which the students never regained. It was a hard fought contest with a final score of 34 to 24. As you can see, however, everyone had a great time and were in good spirits. After the game the faculty met in the locker room to bray about their athletic prowess.

OUR PEPSTERS ARE WINNERS!

This year's pepsters emphasis was on building spirit, enthusiasm, and respect in Santiago. During the summer they attended spirit camp and won the following awards: ten superior ribbons, a superior trophy, and a spirit stick. Another summer activity for the cheer leaders was that of summer school, which gave them a chance to work on the routines that would be used in games and pep assemblies.

Poloists Suffer From Lack of Experience . . .

The 1975 Santiago Waterpolo Team was composed of young players. It consisted of two seniors, six juniors, and two sophomores. Throughout their season the young poloists displayed courage and vitality. As quoted from their coach, Mr. Gaynor, "Although we were small in number, we weren't afraid of any other team." A team can only do so much, but with the backing of a coach and student body, it is amazing what a group is able to do. Too bad the cheerleaders and student body should have enough school pride to support sports other than those of popular importance.

Some of the important players on the squad were senior Tim Baker and Juniors Scott Dopke, Todd Mitchell, and Jay Hanselman. Jay (PICTURED FAR ABOVE) was a guard for the team. Defensive plays were Jay's major contribution to the Cavs. Todd Mitchell (ABOVE FAR RIGHT) also added to Santiago's defense. Todd, who was selective about his shots, scored on a high percentage. Scott (DIRECTLY ABOVE) contributed both scoring and defense for the squad. Tim Baker (RIGHT) was the team's high scorer and natural choice for most valuable player. Coach Gaynor (ABOVE RIGHT) tried to get the Cavs to work together in the pool, a feat that takes time and work.

The Frosh-Soph Waterpolo Season was primarily a year of "obtaining experience." The team consisted of freshmen and a few sophomores, eager to learn, whose talents and abilities were developed through strenuous workouts led by their coach, Mr. Drake.

The Santiago Cross Country team had great success this year. Under Coach Julian, every member improved week by week. His hard tactics and his belief in discipline caused his runners not only to better themselves physically, but mentally too. Each member respected his coach as a coach should be. John Caparella lead his team to victory with fantastic times. Each member believed in himself and in his teammates and with this attitude, Coach Julian and his team will always be successful.

The class of '76 pulled through, in their usual fashion, by winning most of the pep assembly class competitions. Cheerleaders had many new ideas to arouse the lagging Cavalier spirit. Julie Overholt, commissioner of assemblies, put forth much effort in planning and organization.

Cavs Come up Short

The Santiago Varsity Football Team had a tough and disappointing season due to injuries and mental mistakes. Mike Hennessey, the Cavs' starting quarterback and one of the county's best, broke his ankle on the second play of the second half in the first game. The Cavs still continued to beat a good Savanna team, 30-0, but psychologically, the Cavs lost.

Even when down, the Cavs still had spirit and never gave up. They fought back only to come up short by a few points. Of the games they lost, the average points span was only three points. No one was ever embarrassed to say that they were Cavaliers!

Cavs Express Their Emotions

Head coach, Mike Cutshaw, and his young staff put together a fine, well-balanced club. Captains Donny DiPalma and Dennis Carr, along with the coaches, inspired every player to think as a team. Coach Roger Takahashi built his four defensive backs into a solid wall which only had one touchdown thrown against them. Coach Gary Crippon's front seven, anchored by All League middle guard Terry Bossom, proved to be devastating to their opponents, never letting them rush for more than 135 yards in one game. Coach Fenton Tomilson's offensive line opened holes for Coach Valco's running backs who always outgained the other teams. The line and the backs provided time for the quarterbacks to throw to four excellent receivers which made all teams wary of the Cavaliers.

The Santiago Sophomore team proved worthy Cavaliers through their fantastic record. Under the direction of their three fine coaches, the Sophomores rolled to a league championship. A strong running attack put points on the board, while a hard hitting front seven, and four shifty defensive backs kept opponents from moving the ball. Showing great promise, these fine football players and fine people, along with the returning letterman, will be definite contenders for the Varsity league title next year.

The Cavalier Freshman team had one of the best seasons for a fresh team since the school opened. Hitting hard and running over people, the young Cavs only lost two games. Coach Snyder and Coach Montoya taught their team to be winners and winners they were. A strong defense always gave the offense good field position. The discipline instilled in the team really showed as very few mental mistakes were committed, always keeping the Cavaliers on top.

A radiant Mollie Sunrise was chosen as 1975-76 Homecoming Queen and Cindy Bradford was crowned as the new Spirit Queen.

"Well, its littler than I am...."

This year's homecoming was marked by a lack of interest in noontime activities. The activities were appropriate for the Bicentennial, consisting of a cherry pie-eating contest, a bob for apples, and a Paul Revere Hoppity-Hop race. The classes came up with some original extra activities. The juniors made a Liberty Bell Float, The seniors had a band playing Fight songs at lunch, and the sophomores gave out candy.

Being a first year organized sport, soccer really amazed the students, the faculty, and even the players themselves. Under the stiff guidance of Coach Hudlow the varsity team surprised many of their opponents who had been playing three or four years. They tied Estancia, the third ranked team in CIF, in their second game of the season and beat the seventh ranked team 3-1 in the following game. Playing mainly defense and waiting to take quick advantage of mistakes, the Cavs soccer team went on to have a very successful year. Maybe when the administrators see this great progress, the Garden Grove Unified School District might make soccer a little more organized and a little more competitive with a Garden Grove Soccer League.

Hustle Does It

The young Cavalier Basketball team was the 1975-76 league co-champion and it did this by hustling. The players pressed each and everytime their opponents in-bounded, and they continued this defense until they got the ball back. When they did, they ran the other team silly and popped in two points. Kerry Callahan and sophomore Dean Diaz lead the team in scoring while the rebounds were controlled by Ron Busteed and Darrel Hebenstreit. Even Coach Heusser got into the excitement by losing his cool when the running turned to jungle-ball. When everything died down, Santiago was leading in points which gave them a CIF berth and which made us proud of our team.

The Junior Varsity team had a tough up and down season. Although Coach Chioti tried many different combinations and put together a good team, but dissent among the players only hurt themselves. Scott Dopke and Randy Ross were the captains and leaders and they controlled most of the points and defense stats. The rest of the players produced a well-balanced team and when they played together, they played well. All the players have special talents and will be working hard to improve themselves for the one or two spots left open for next years Varsity team, when people who really want to play, will play.

Frosh Basketball

The Freshman Basketball team had one of the most successful seasons in many years. Under the handling of Coach Inman, the high spirited team passed it's way to a fun loving time, winning game after game. The team dazzled their opponents offensively and pressured them defensively until the other team coughed up the ball. Coach Inman stated that discipline was the reason for success. He taught them not to lose their cool, always to get up after being knocked down, and to try harder. Being good sportsmen not only made the season enjoyable but made each individual a better person for the world today.

Only Sophs?

This year's Sophomore basketball team warned people that Santiago is HERE now and will be in the future. Winning game after game, Coach Strapp's stars outclassed all their opponents making the other teams look a couple of years younger. They worked so hard together that it is hard to pick out individuals for excellence. They played as a team, won as a team, and they celebrated as a team. Be ready for the class of 78!

THE HOMECOMING DANCE was distinguished by a definite aroma emitting from hundreds of sock-clad feet. This did not seem to discourage the attendance, however, as ASB announced that the dance was a huge financial success. The dancers seemed to enjoy the idea of a sock-hop because it created a feeling of nostalgia for the 50's. "Primo" did a great job of keeping the socks hopping to their music, and everyone enjoyed the dance beats throughout the evening.

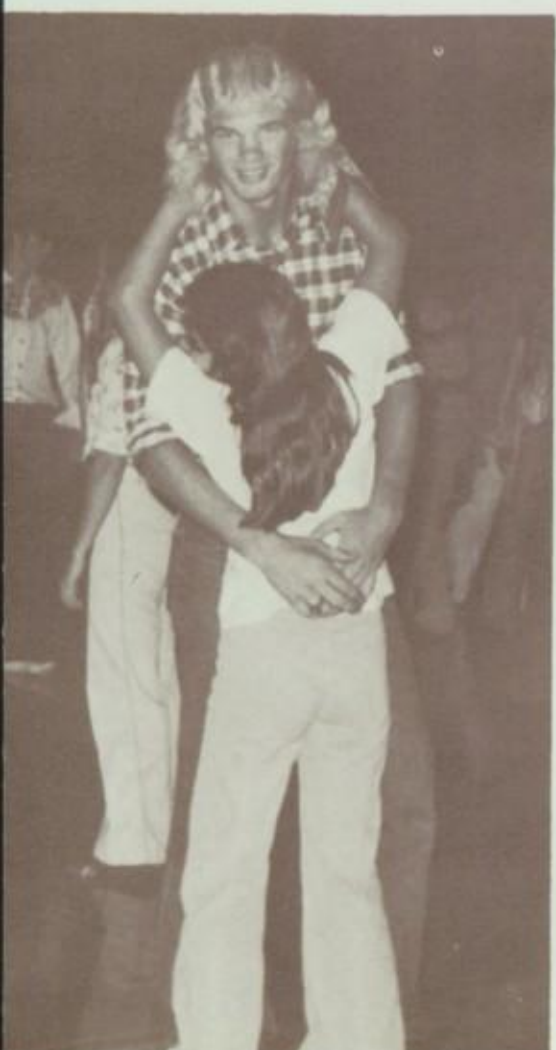

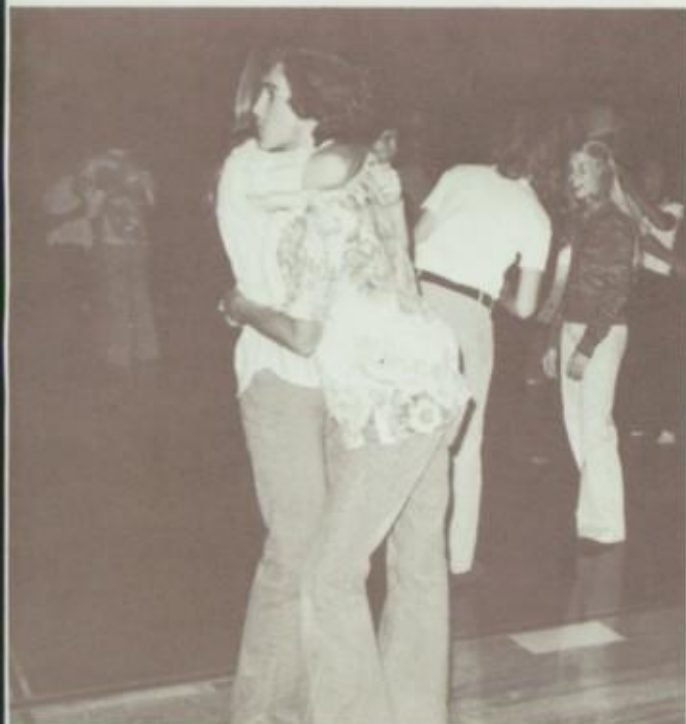

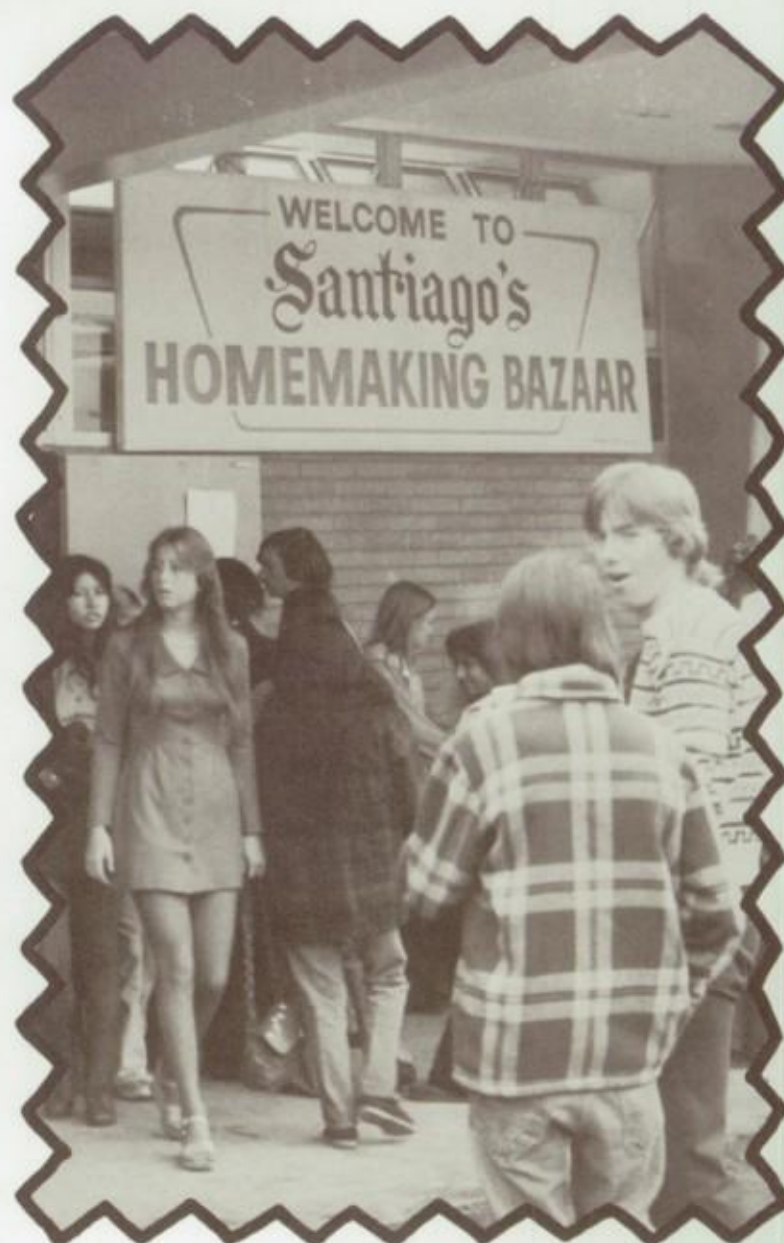

Figure this one out! ?!

The activities of the Homemaking Club were highlighted by their third annual Holiday Bazaar. The Homemaking Club, whose sponsors are Mrs. Cox and Mrs. Boranian, worked hard together with the Homemaking classes to make this bazaar a success. Part of the profits were used towards a donation to the Children's Hospital of Orange County.

Patricia Tschetter, the president of this organization, stated "The Homemaking Club is a club for people who just want to do things for others, but still have fun."

Fifties Day

For one day, students at Santiago slicked back their hair, rolled up their jeans and put on their bobby socks. Why would they make total fools out of themselves? -for the annual 50's Dress up day! Girls, Guys, Seniors and even freshman dressed up and danced to the music of the 50's.

There was also a 50's assembly after 5th period. Each of the basketball players sponsored a girl for "Toots of the Team." During the assembly the "toots" and their sponsors participated in an activity called the "mummy wrap" in which the girls wrapped their sponsors in toilet paper.

So don't be surprised when you hear "Rock around the Clock" coming over the loud speaker or when you see people doing Charleston. Not even when you see guys slicking their hair back with butch wax. It's all in preparation for one day in which the 50's era comes to Santiago High.

The Sandpipers, a choreographed swing choir, is one of the few of its kind in the south-land. They perform for all types of groups and schools. For the Bicentennial Year, the group raised money for a trip to Hawaii where it will appear for eight days at many of the major hotels. The group is directed by Mr. George Taylorson.

Field hockey has taken great strides forward since the days when players were reminded that, "Knickerbockers, not petticoats, should be worn under the long skirts." Hockey clubs and associations are scattered all over the country. Santiago is an allied school member of the Los Angeles Field Hockey Association. In addition to league play, the hockey team traveled to watch exhibition games and to participate in interscholastic competition at Griffith Park. Hopefully the team will have a chance to attend the Long Beach Field Hockey Camp this summer.

Four Go to CIF

The 1975-76 Cavalier wrestling team started off looking like league champs but, as the trend seems to be this tough year, injuries, illness, and a few bad behavior mis-happenings hurt the team members to no end. Other team members worked even harder to fill these gaps, and with a great Cavalier attitude, produced a winning season. Coach Noble and Coach Robins put together a well spirited team led by Tino Baltazar, Gary Syfers, Dan DeBois, and Dave Serber. All four did great in league play and tournament matches, and ended up going to CIF and representing Santiago.

CHEAPER BY THE DOZEN is a story about a man, Mr. Gilbreth, with a large family of twelve children. Mr. Gilbreth has a heart condition but his family doesn't know. He teaches them to be strong in spirit so that when he dies they can adjust to life without him.

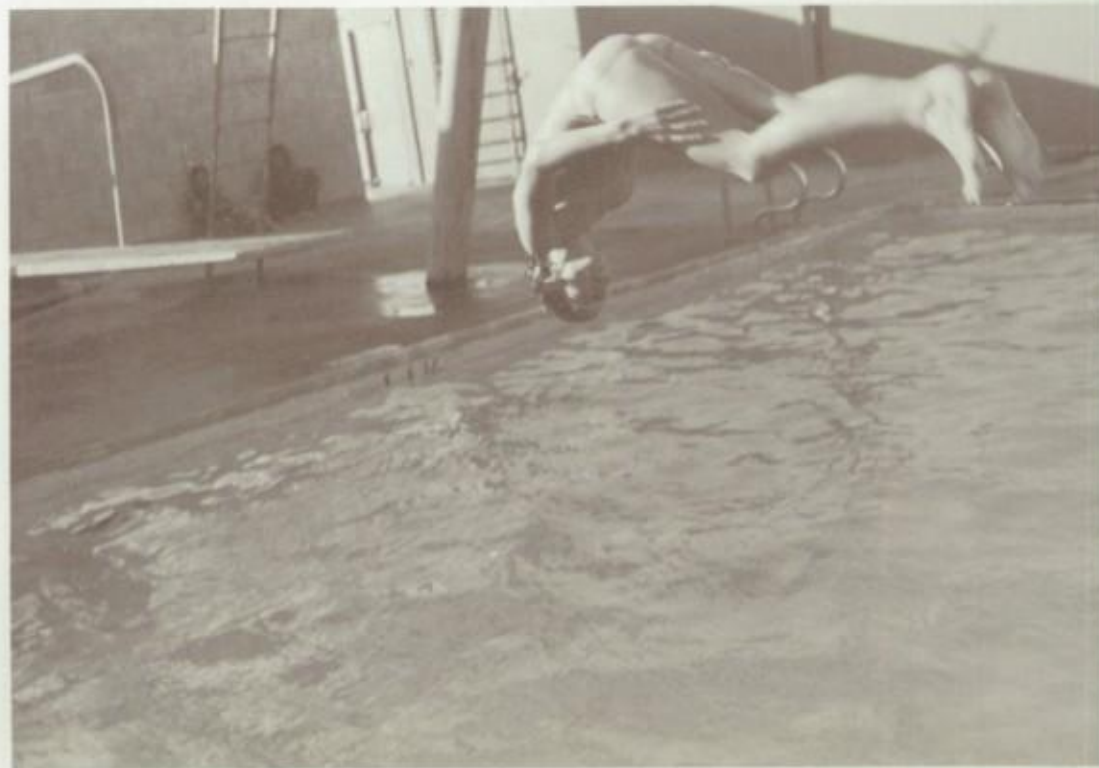

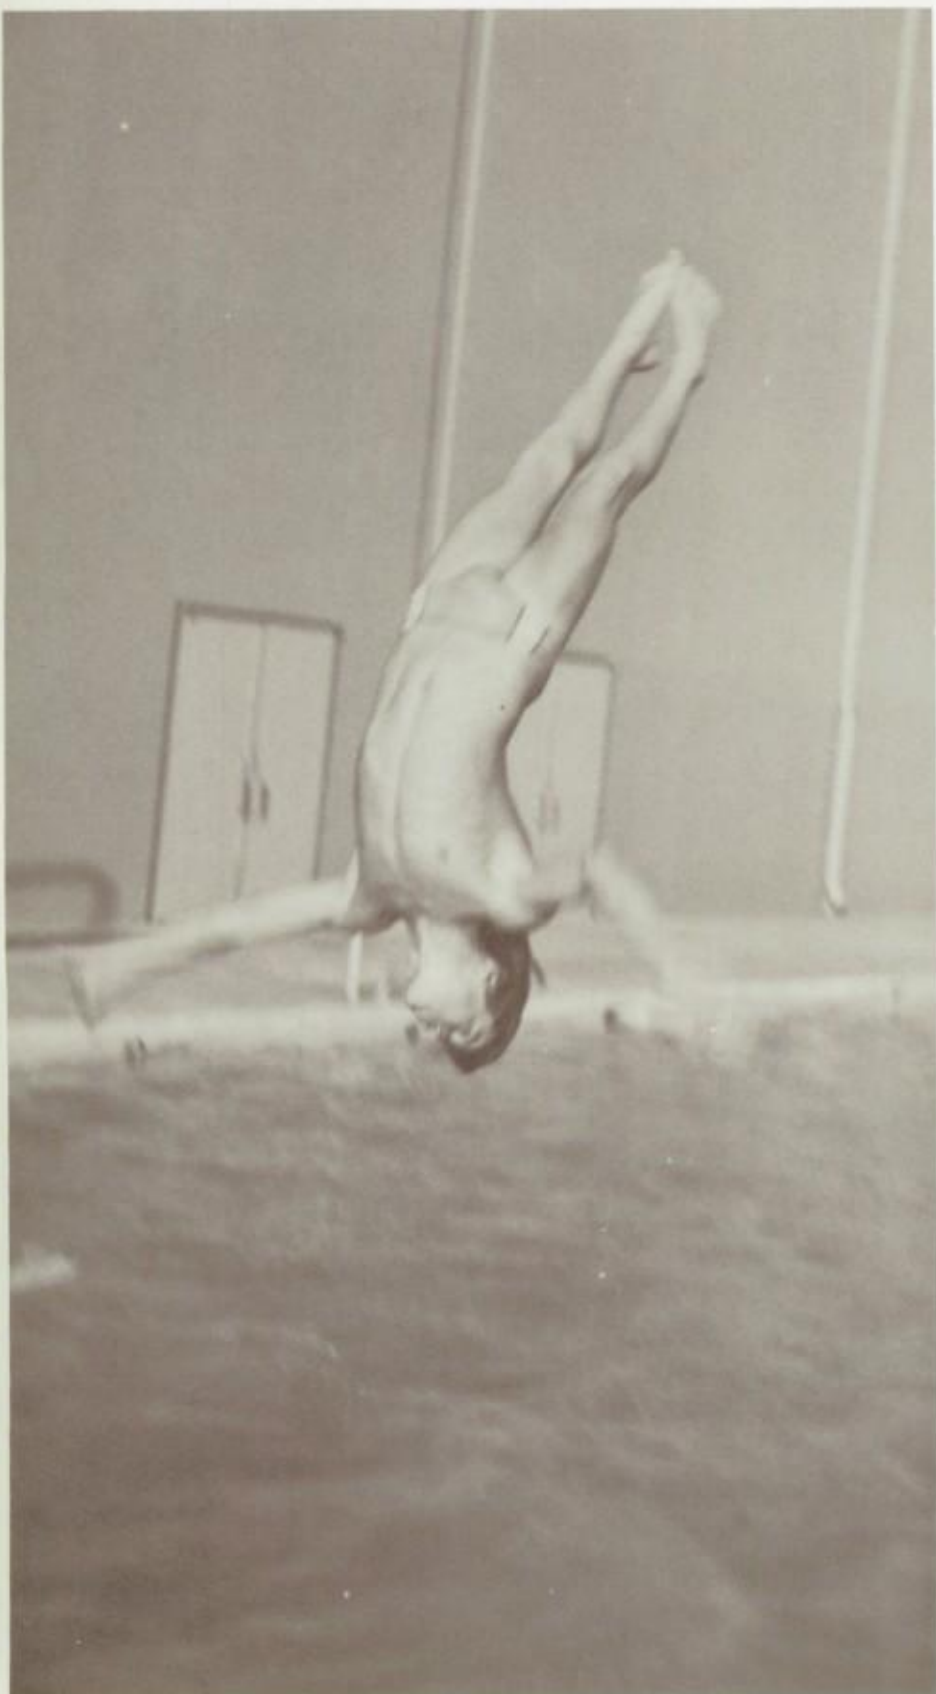

The major roles were played by: Lee Durlach as Mr. Gilbreth; Sheryl La Blanc as Mrs. Gilbreth; Randy Peterson as Frank Gilbreth; Cori Schuda as Anne Gilbreth; and Lynn Koza as Ernestine Gilbreth. Mr. Taylorson and everyone participating worked very hard on the play to raise money for the Santiago Thespian Club.

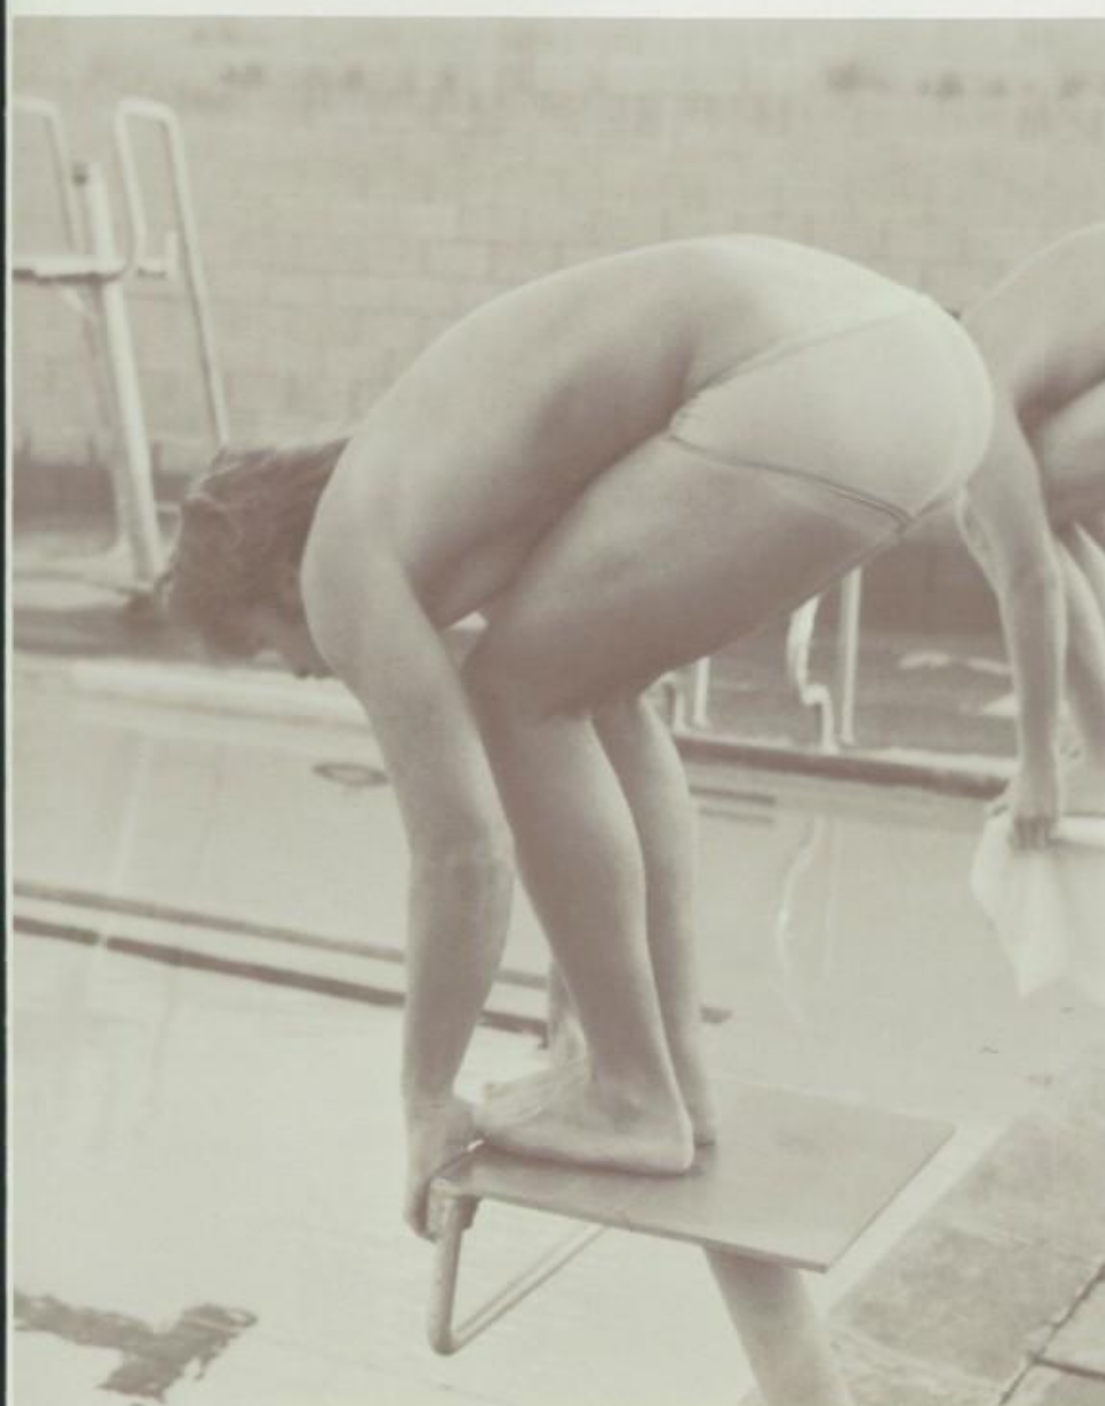

Swimming

The 1975-76 Swim team was young and adventurous. Though many of it's members were newcomers to the sport, Coach Drake brought out their talents through hard workouts and perseverance. Among the team's leaders were: Todd Mitchell, Alan Davidson, and Brian Gates. Though small in number, the team displayed it's courage in each successive meet. Throughout the season, the swimmers gained valuable experience in working together and in learning the meaning of sportmanship.

Swim Team, L TO R; BACK ROW: T. Horwood, T. Baker, B. Mitchell, B. Gates, T. Mitchell, J. Hamilton. FRONT ROW: M. Green, A. Davidson, B. Hunt, T. Huff, T. Johnson, C. Robinson.

Motocross Smokes

Santiago Is Proud of Her Two State Champions

Randy Blevins and Allen Smith, during the last year, won acclaim for their motorcycle riding in the State Championships. Both of these students took first in their respective division. Santiago has many good riders among her student body which was reflected by our League Championship. The Racing Team was formed to stimulate and publicize motorcycle racing. We are proud of our "Motocrossers".

The new A.S.B. cabinet has already started wheels turning on plans for an exciting '76 homecoming. Numerous other activities, some of which are dances, fund raising projects, pep assemblies, and "Rec-Nites," will be further planned and organized during summer conferences.

The president of A.S.B., Eddie Banuelos was quoted as saying, "If the year goes as well as planned, it should go as well as planned (?)." Very provocative, Eddie!

1976 marked a new trend in the selection of cheerleaders. The pepsters were chosen at the end of December and took over their positions on February 4, 1976. The new cheerleaders along with their advisors, Mrs. McCalla and Mrs. Hamilton, are organizing for a brand new year of spirit!

To help them along with their spirit they plan to go to SPIRIT CAMP this summer. With everything they learn at camp, our New Pepsters will have a great year planned!

The Kiwanetts is a girl service club sponsored by the Garden Grove Kiwanis. This club has been very busy this year by taking underprivileged children to Disneyland, helping needy families at Christmas time and doing volunteer work for The March of Dimes and other charities. These girls have earned all their money by selling See's Suckers, having car washes and sponsoring a dance.

SCIENTIFIC RESEARCH CLUB

The purpose of the Scientific Research Club is to interest students at Santiago into submitting projects to the spring Science Fair. Steve Ceplus, who received first place at the Science Fair last year, is our representative for Orange County. He is in competition for the International Science Fair. A list of the members and their projects is shown below:

Kit Skaggs - A study in genitics.

Curtis Cox - Regeneration of Planaria.

Richard Arena - The effect of drugs on chicken eggs.

David Serber - Pullution.

Steve Ceplus - Atomic chart.

Mark Guttenplan - Solar heating.

Nick Brasinikas - The effect of alcohol on chicken eggs.

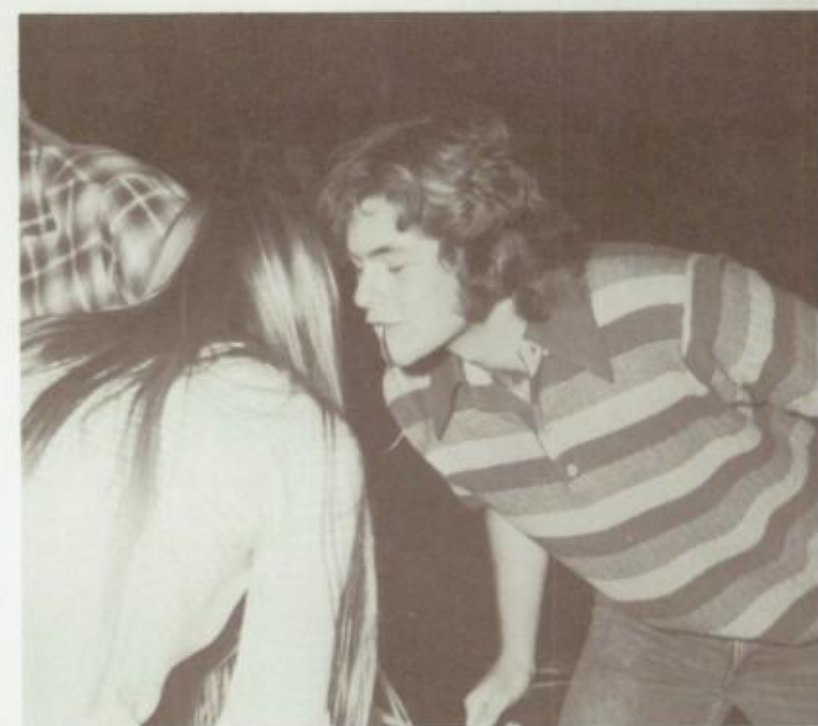

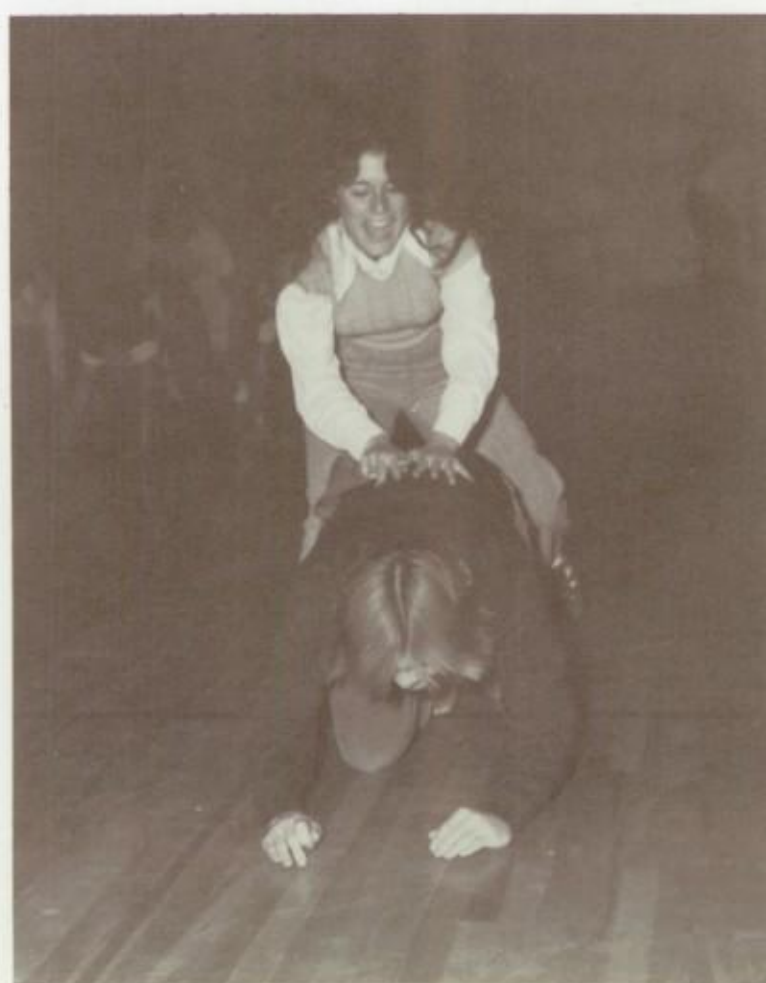

Jeff Evans - The effect of Vitamin K on plants.

Mel Sorgan - The effect of plant or animal hormones on Euglena.

C.S.F.

C.S.F. is a statewide honor society requiring members to have at least an "A" minus average in academic subjects. Senior members with four semesters membership are given honors at graduation. The club participates in scholarship programs and college activities. Members represented Santiago at U.C. L.A. Honors Day and at World Affairs Day at Occidental College. An all C.S.F. night at Disneyland highlighted the years social events.

The Candidates proved at the Coed King Assembly that they would - do anything for a vote. In front of the total girl population of the school they did such activities as an obstacle course, which included running while blindfolded and playing leapfrog. Other tasks were a licorice eating race and balancing a quarter on the end of their finger while running backwards. But the activity that really topped it off was the dressing up of the Coed Kings. The costumes ranged from nightgowns to belly dancers. It was an assembly that will be remembered for a long time.

"Co-Ed King '76" Jerry Lovelace

The 1976 Coed Dance was held at a very unique place — the Westminister Mall. In the midst of department stores, jewelry store and clothing shops, the students of Santiago danced to the music of Primo. Although it really wasn't a very romantic setting, its novelty made up for it. The Coronation was held at eleven o'clock in the center of the mall. Don DiPalma and Javier Romo tied for third runner up, Mike Rasmussen was second runner up, and Matt Silva took the trophy for first runner up. Jerry Lovelace, sponsored by Eileen Kerns was crowned Coed King. Primo played the theme of the Coed, "We May Never Pass This Way Again" for the Coronation Dance. The candidates and their sponsors started the dance and other couples joined in. The planning that went into the Coed made February 7, 1976, a night worth remembering.

P OSITIVE A LTERNATIVES T O E DUCATION

In September of 1975, Santiago High School opened its doors to the P.A.T.E. program. P.A.T.E. (Positive Alternatives To Education.) is designed to help those students who can not work up to their highest potential in regular structured classes. Participation in the P.A.T.E. program was limited to 120 Freshman and Sophomore students this year. Plans are being made to increase the total participants to 180, including Juniors, in 1976.

The programs primary objectives are:

- 1) to increase student attendance and participation in the school program.
- 2) to develop a positive self-concept.
- 3) to improve the student's attitude and ability to function within the social structure.
- 4) to aid the student in assessing and developing abilities, aptitudes and interests.

The P.A.T.E. program does not, in any way, hinder a student in graduating from high school. The curriculum provides the opportunity for all students to earn the required credits in math, science, english, and physical education.

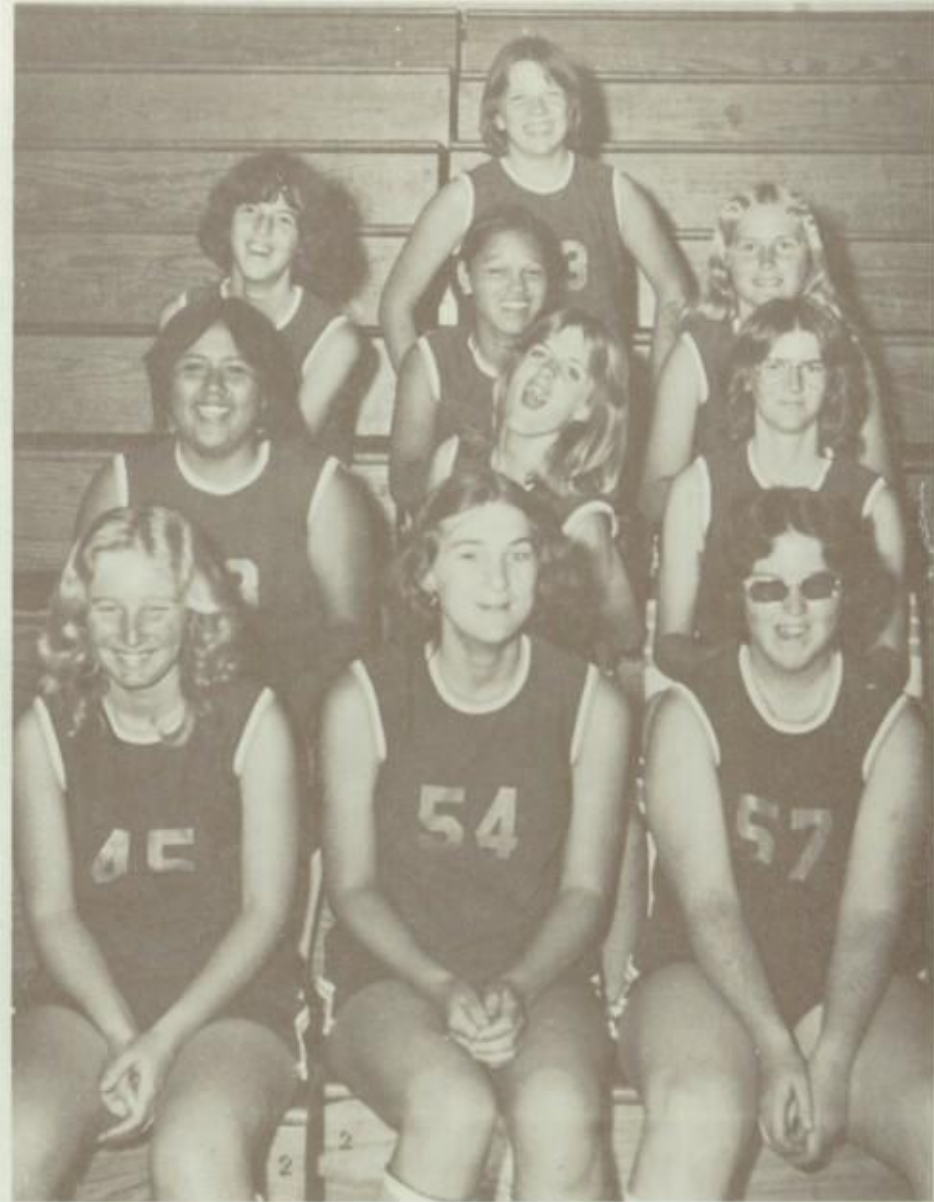

BASKETBALL

English handstand, tinsica and peach-basket may seem like unusual vocabulary for Girls' Athletics, but this year the stiff gymnastic competition required these innovative tricks.

Not only hard working athletes and difficult stunts are required for good competition, but money also. This was raised by a Cartwheel-a-thon, in which the girls were sponsored for performing. They raised over \$400 and bought new sweat uniforms. With a well dressed, well trained group, it made for good competition.

First Row, L. to R.: S. Matchick, M. Bessey, J. Kriechbaum, M. Compton. Second Row: J. Bazaire, L. Olsen, D. Laudermilk, J. Pisani, S. Takahashi, J. Field, O. Fabela, D. Hamilson. Third Row: S. Bradshaw, L. Ferrell, K. Pickering, T. Cunningham, S. Snyder, L. Hendrickson.

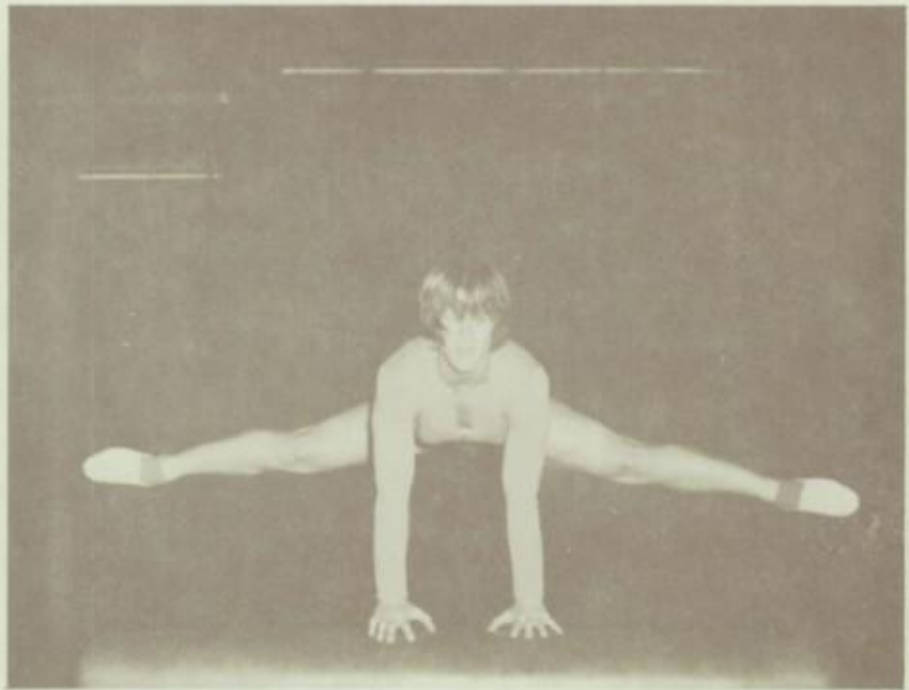

Varsity, row one: S. Lundy, R. Thompson, T. Blackburn, K. Ujihara, J. Lowe. Second Row: J. Loundagin, T. Fisher, L. Loughner, P. Sieveke, W. Callahan, N. Malauulu.

After sweating their hearts out at early morning and after school practices, our girls basketball team dribbled their way to a third place in league standings. They achieved this position under the supervision of Judy Loundagin.

Audiences were often impressed by the teamwork displayed by the girls at their exciting games, which were highlighted with the excellent performances of graduating seniors, Lolita Loughner and Naomi Malauulu.

PIET PAULO PRESTIDIGITATES PUPILS

The A.S.B. cabinet conjured up a magician to amaze and delight Santiago students. The professional magician Piet Paulo, and his assistant agreed to perform at a special assembly set up by A.S.B.

At first it seemed like the gorgeous assistant was getting more applause and whistles than Piet Paulo. Later, however, the magician captivated his audience with amazing feats of prestidigitation. Doves, silks, and billiard balls materialized from nowhere and vanished just as mysteriously as they had appeared. Then, the magician and his assistant recreated two effects: the Hindu Needle Trick and Metamorphosis. These had previously been performed by the greatest magician-escape artist of them all: Harry Houdini.

We hope that this show was a forecast of the new A.S.B. cabinet's initiative.

IS THIS YOUR SLAVE?

The A.S.B. cabinet raised \$140 by auctioning off 31 slaves at the annual Santiago Slave Sale. The money was used to help pay for the many A.S.B. activities.

Anna Fleet managed to cough up a mere \$37 for Eddie Banuelos and Bobby Perez. Marianne Miller and Janis Knight broke open their piggy banks in order to pay \$34 for Jim Spear and Kerry Callahan. Julie Goochey and Cindy Bradford paid \$20 to "shackle" Matt Silva.

Many imaginative costumes were created by the slaveholders. Shawna Green and Cahty Culbert wore black makeup and black stockings for a real effect. Sharon Bily and Judy Herth wore green glad bags for the "spaced out" look. The other wild slaves can be seen above.

POLYNESIAN ASSEMBLY

FEATURING

THE

MOE FAMILY

"Foreign Language Week" was highlighted with a Polynesian dance assembly presented by Fenesi Moe and family. Featuring Samoan and Tahitian dances along with an exciting fire walk and fire baton act. Under the watchful eye of Fenesi, a few of our own Santiago students reluctantly got into the act with their style of Samoan dances.

GROUNDLINGS

"The Groundlings" an improvisational group from Hollywood, visited Santiago to perform various comical acts as was suggested by the audience.

The Music Man is the story of Harold Hill, portrayed by Kieran Quirk, a traveling con-man who faced the trials of the obstinate townspeople of River City, Iowa.

Being a sly but graceful con-artist, he brings the entire town in an uproar of music madness. The only thing he didn't expect was to have his devious plans twisted by falling in love with the sophisticated librarian, Marian Paroo, characterized by Janan Basham.

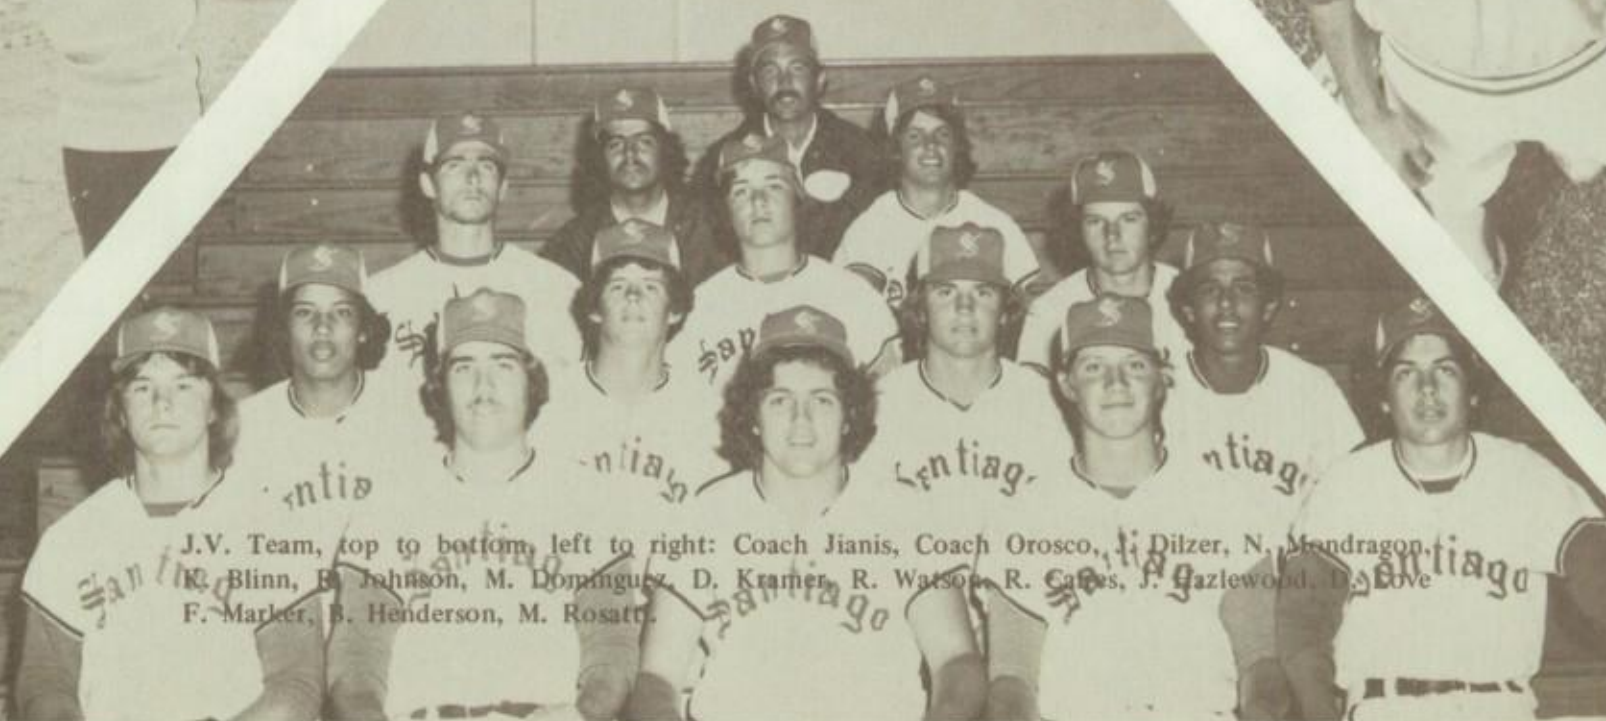

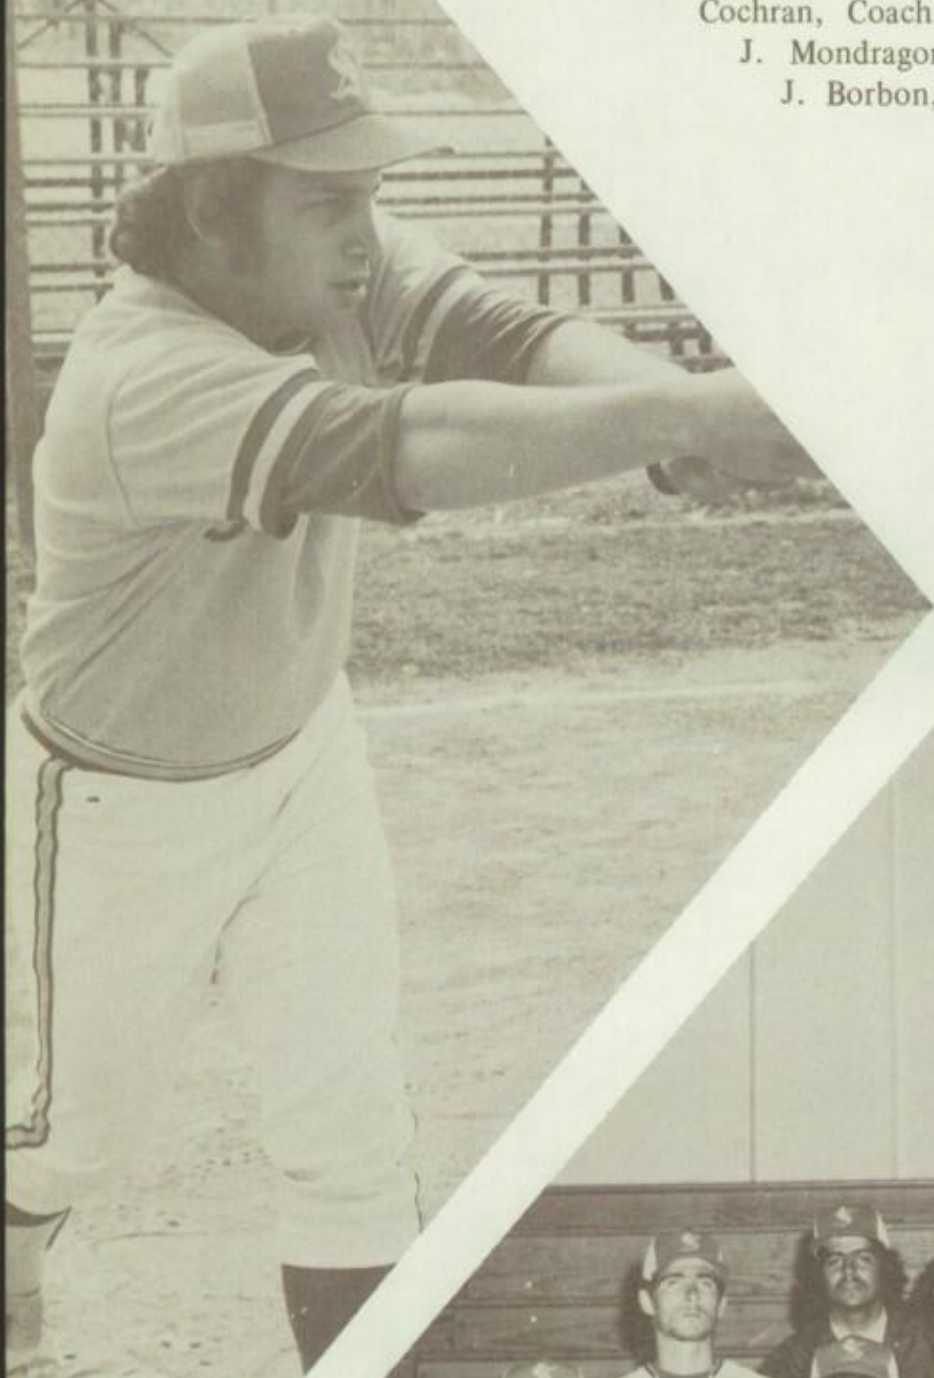

The musical, consisting of approximately 150 students, held under the direction of Mr. Taylorson with the help of Eileen Kerns, choreographed by Mike Cody, with Jeff Janke as the instrumental director, was as usual, the dramatic highlight of the year.

MUSIC MAN

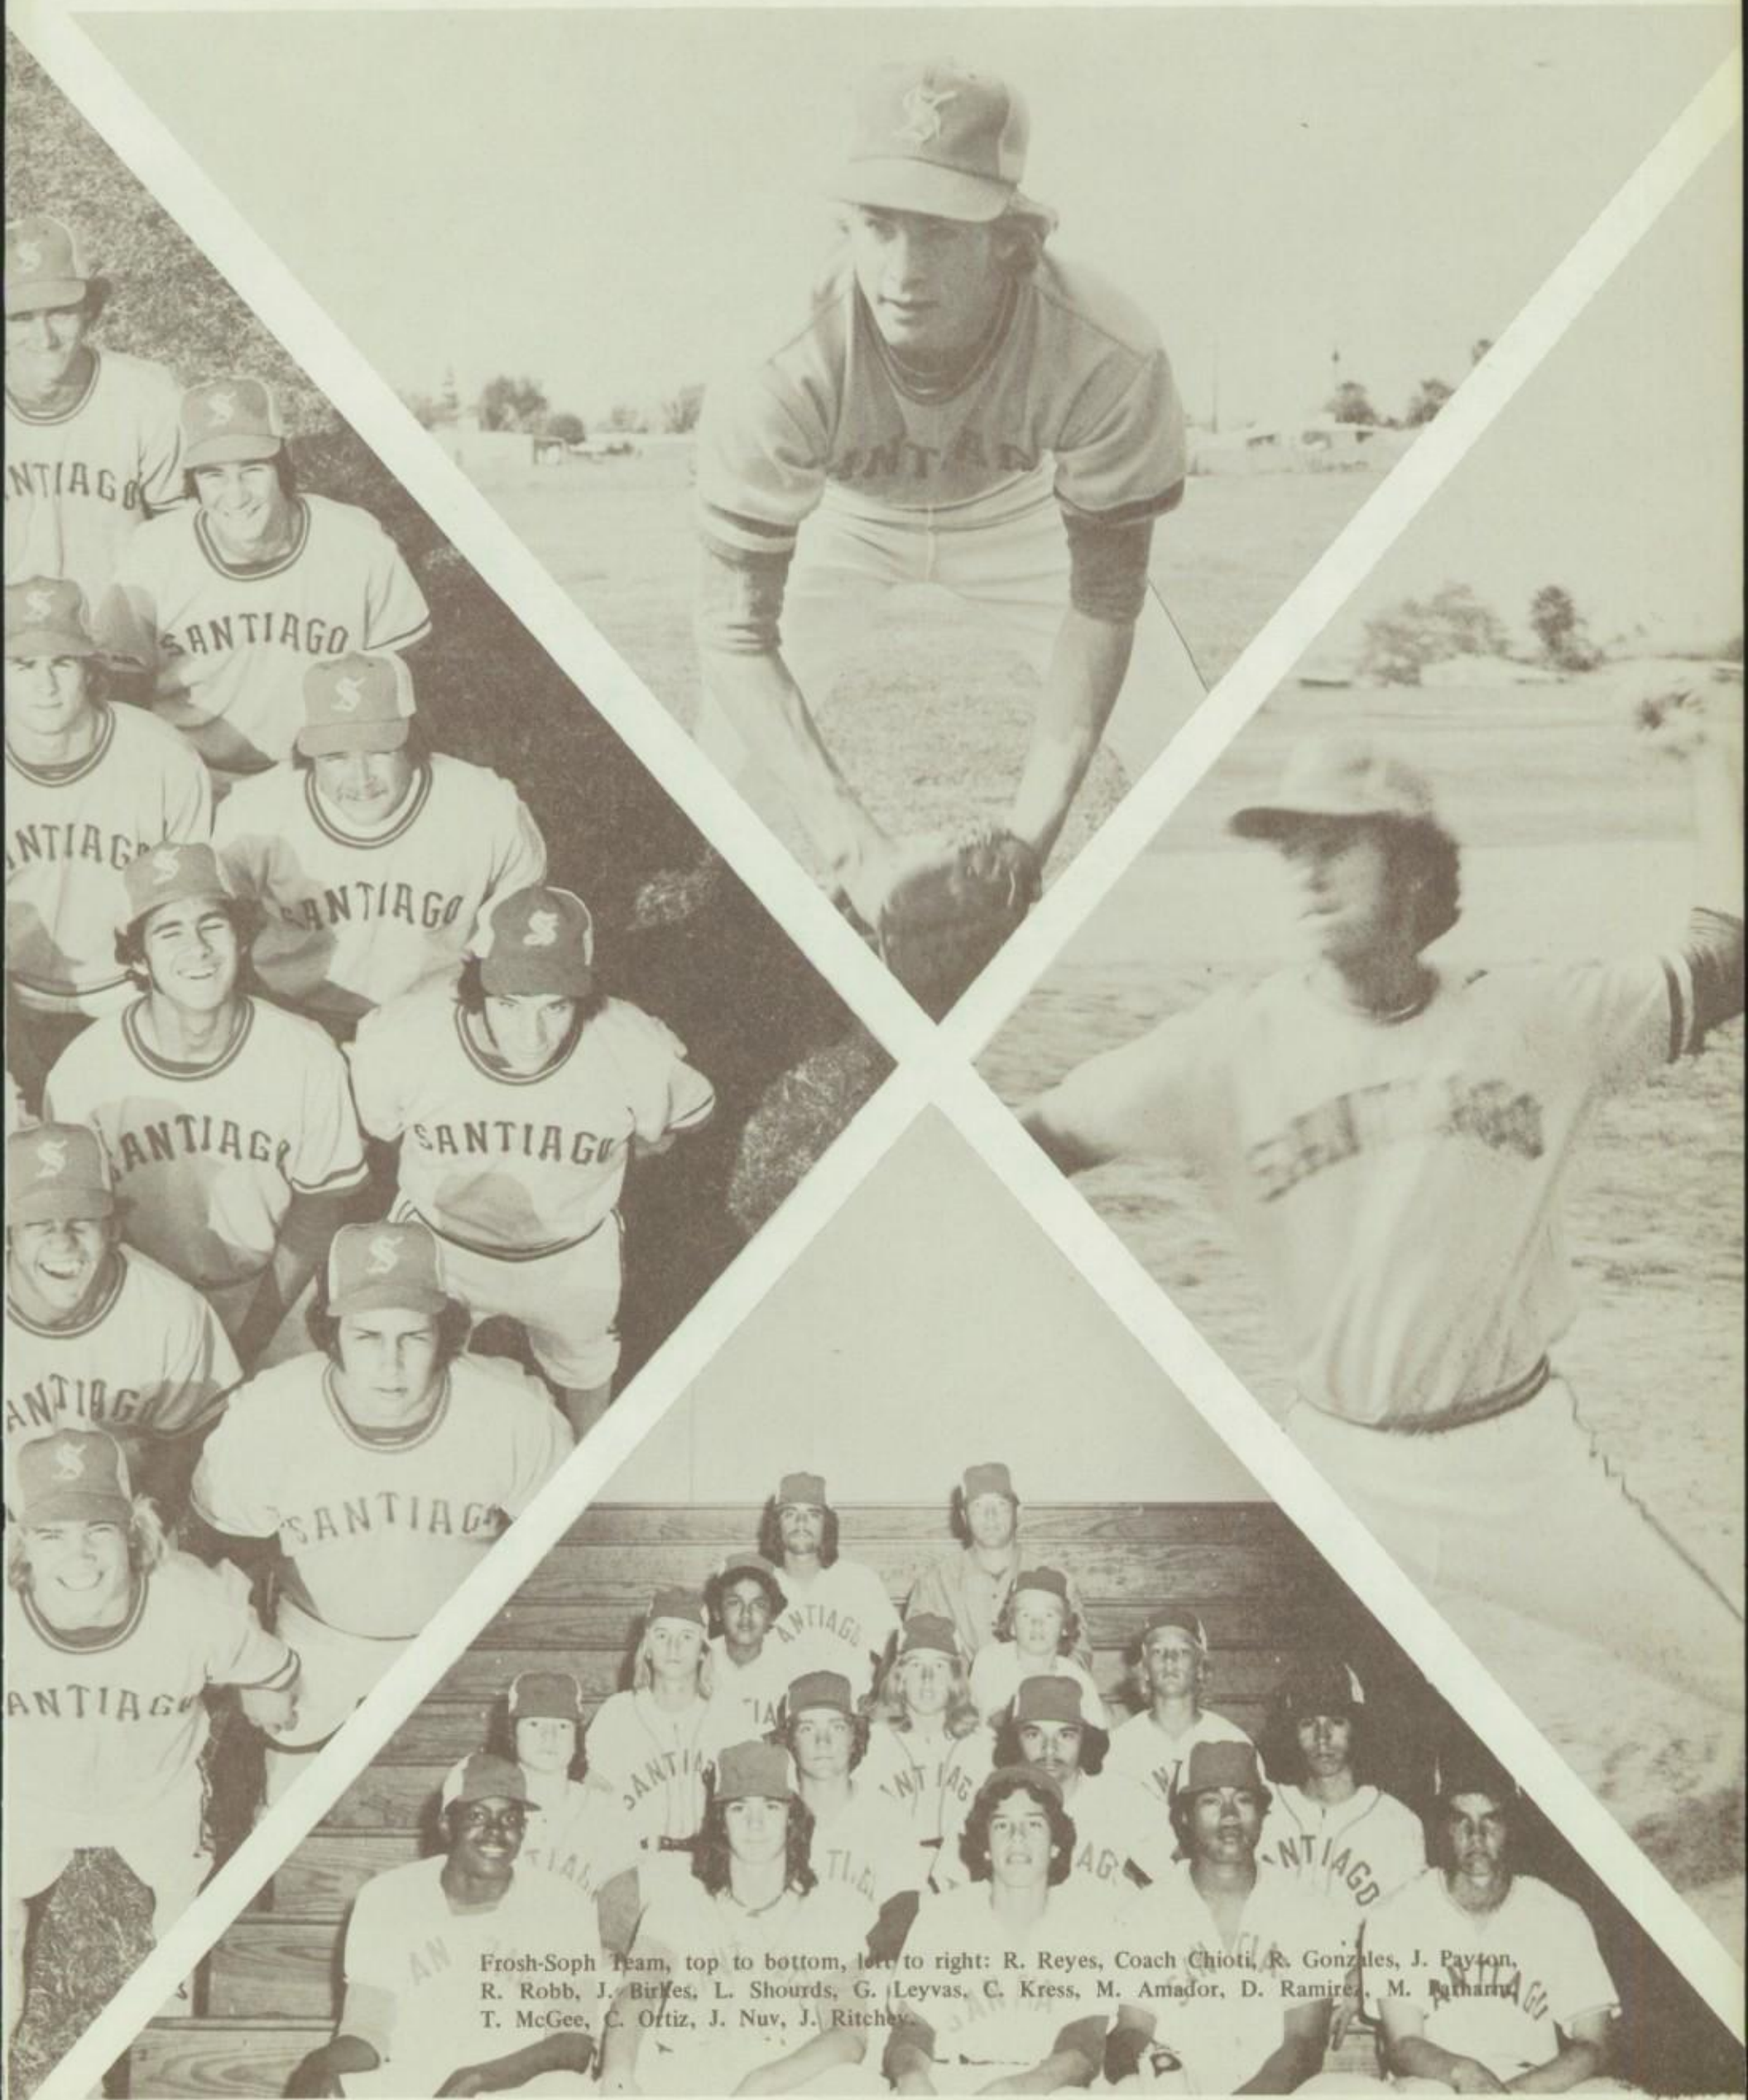

Diamonds are a fielders' best friend

The Santiago Varsity Baseball Team has had a long and often frustrating year. Injury, ineligibility, and other unfortunate circumstances have hampered Coach Inman's inexperienced team. Despite the frustration, the Cav Team has made a respectable showing for themselves. Among the bright spots is the fact that there are going to be many Lettermen returning next year. These include starters Donny Perry, Dean Diaz, Kelly Benton, Reuben Ortiz, Mark Baker, Joe Blyleven, Jim Borbon and Ed Flores. All of these players have gained valuable Varsity experience in playing this year and should mature considerably during the next year. Among the Seniors that have contributed heavily in the progress of the Juniors and Sophomores are Captains Mike Cochran, Kirk Kiethly and Dennis Carr. Others graduating at the end of the school year are John Mondragon and Tim Linn. Pictured in the center from top to bottom, left to right are:

J. Blyleven. M. Baker, T. Linn, Coach Inman, M. Cochran, Coach Angier, R. Ortiz, D. Diaz, J. Mondragon, K. Benton, E. Flores, J. Borbon, K. Kiethly, D. Perry.

J.V. Tennis Team, L. to R., top row: G. Rodrigues, J. Valley, K. Thalman, G. Pederson, J. Hahn, H. Tueben. Bottom row: S. Bustillos, G. Adams, D. Damigo.

The Varsity Tennis line-ups consisted of Burt Palmer, Rex Caballero, Stacy Kato, Kevin Duffy, Federico Duarte, David Smith, Enrique Aquerre and Jeff Carden. As next year's tennis season opens, almost all Varsity players will be back except Burt Palmer and Stacy Kato, who will be graduating this year. Due to the lack of experienced players, the Santiago Tennis Team had a frustrating season. Individually, the team had some promising players who were trying their best and will be back next year. With Coach Hudlow and Assistant Coach DeVitos coaching, and the dedication the players contributed by practicing three hours every day, hopefully as the next season opens, they will have a far better year.

Varsity Tennis Team, L. to R., top row: Coach DeVito, B. Palmer, R. Caballero, S. Kato, R. Woodward, Coach Hudlow, Bottom row: F. Duarte, D. Smith, E. Aquire, A. Duarte, S. Tartamella.

Golf Team L. to R.: J. Hanselman, R. Pace, G. Fowler, D. Bennet, J. McCandlish, J. Hernandez. — Pictured below left, Coach J. Strapp.

The 1976 Santiago Golf Team was one of the powers of the Garden Grove League this season. The team was led by returning letterman Greg Fowler (JR.), John McCandlish (JR.), Wayne Reynolds (JR.), Jay Hanselman (JR.), and John Hernandez (SOPH.). Newcomer Dan Bennett (JR.) and returning J.V. players Rick Pace and Ed Dominguez also contributed much to the Varsity this year. The J.V. Team with Roger Alfaro (SOPH.), Buddy Kent (SOPH.), Byron Ross (SOPH.), Alex Cabrera (FR.), Mark Olson (SOPH.), and Dan Egger (FR.) were undefeated for the season. The Varsity will be competing for the league championship the week following this publication, and we would like to wish them the best of luck.

Despite the lack of participation, the members that were on the team showed great individual talent. The varsity team suffered through lack of members, having only five sprinters. The mile relay team is expected to place in league finals. The sophomores and freshmen were strong in most areas, especially the field events. Their combined efforts should prove to be worthy of taking the league championships as a varsity team.
